13 vs.

14 CITY OF SAN FRANCISCO and DOES 1-10,
15 Inclusive,

16 Defendants.

Case No. 19-CV-06155-SK

**CITY AND COUNTY OF SAN FRANCISCO'S
STATUS UPDATE**

17
18
19 Defendant City and County of San Francisco (the "City") provides the following status update
20 in response to Plaintiffs' Status Report filed on December 6, 2022 (Dkt. No. 48.)

21 After the City filed its last status update on October 28, 2002 (Dkt. No. 47), the Parties worked
22 to finalize all settlement documents and exhibits. On November 16, 2022, Plaintiffs' counsel sent the
23 final settlement documents to the City. Shortly thereafter, the City's trial counsel submitted the
24 settlement documents and other required document for approval and recommendation to Recreation
25 and Parks Commission and the Board of Supervisors. On November 28, 2022, the City's trial counsel
26 informed Plaintiff's counsel that the documents had been submitted for review and that he was
27 responding to questions about the settlement and documents.

28 ///

1 In response to the City's November 28, 2022, Plaintiffs' counsel sent a number of emails made
 2 a number of calls asking the City's trial counsel to "put the paperwork before the Government Audit
 3 and Oversight Committee & the Board of Supervisors in December." The City's trial counsel has
 4 previously explained to Plaintiffs' counsel that the City Attorney's Office has no power to place an
 5 item on the Board of Supervisor's agenda. Moreover, the City's trial counsel also explained this
 6 settlement will be heard by the Recreation and Parks Commission before going to the Board of
 7 Supervisors for final approval.

8 The City Attorney's Office is confident that the Recreation and Parks Commission and the
 9 Board of Supervisors will place the settlement on their respective agendas in a timely fashion.

10 The City will notify the Court and Plaintiffs when the settlement agreement will be heard
 11 before the San Francisco Recreation and Parks Commission and the San Francisco Board of
 12 Supervisors.
